Protect your loved ones with a financial safety net.

Ideal for you if:

- Your loved ones rely on you for financial support (like paying a mortgage)
- You need affordable life insurance that's guaranteed issue (coverage without medical questions)
- You want extra coverage for Accidental Death & Dismemberment

What does it cover?

In the event of your passing, Term Life Insurance gives your loved ones a lump-sum payment for expenses such as:

- Funeral/burial expenses
- Mortgage or rent payments
- Insurance premiums
- Childcare and education costs
- Credit card bills

Accidental Death & Dismemberment (AD&D)

This plan also provides additional coverage if you die or experience a covered loss in an accident; for example, your beneficiaries could receive additional benefits if you die in a car accident in addition to your term life benefit. AD&D coverage also provides benefits to you in the event you experience a covered loss, such as the loss of a limb, due to a covered accident.
